TOOLS YOU CAN USE TO TRACK YOUR STATION'S PERFORMANCE

1. Essential Dashboard
2. Strategic Growth Analysis

Incorporating findings into your own fundraising plans

WHAT DOES THE NEXT FISCAL YEAR HOLD?

1. How has year-on-year revenue been trending for the past four years, and where are you expected to end this fiscal year?
2. Have you acquired/renewed fewer donors this year? What impact will that have on revenue in the upcoming fiscal year?
3. What is your cost to acquire/retain a donor? Use this metric to project the necessary investment for next year's activities. And based on Rev/Donor, project future income from this segment in year 2 to help make your case with your CEO/CFO.

WHAT DOES THE NEXT FISCAL YEAR HOLD?

4. Are certain segments of your file experiencing uncharacteristic declines in donor retention? Does that segment account for a large number of donors? Revenue? What actions will you take to try and turn the tide?
5. Have you seen changes in gift frequency and/or the size of the average gift? What tests can you implement in future campaigns to address any declines?
6. Do you have plans to take advantage of Giving Tuesday and Calendar Year End?
